Meet Heather Monahan

Heather is one of the most supportive people I know. She wrote a chapter in my first book “Standing O!” despite launching her first book, the bestseller “Confidence Creator” and she wrote the Foreword to my 2nd book, “Standing O! Encore” and traveled from Miami to NYC for the launch party despite having her TEDx talk back in Florida that weekend! Here are some other insane things Heather has accomplished:

- Top 40 Female Keynote Speaker 2020
- Best-Selling Author Confidence Creator
- Top 100 Business Podcast Creating Confidence
- TED Speaker
- Board Member
- Faculty at Harvard
